

The finer points

This discount plan is not insurance.

New Dental Choice provides discounts at certain healthcare providers for dental services. The plan does not make payments to the provider. You, the member, must pay for all dental services, but will get a discount from contracted providers. The range of discounts varies based on type of provider, region and services received.

For a list of participating dentists, visit NewDentalChoice.com/find-a-dentist. Dentists and specialists may not be available in all areas. Services in progress or provided before the membership effective date are excluded. Cancel within the first 30 days for a full refund, less the activation fee. Activation fees are refundable in AR and MD. This plan is not available in all states. New Dental Choice is a product of First Dental Health, the discount plan organization located at 5771 Copley Drive #101 San Diego, California, 92111.

First Dental Health is a member of the Principal Financial Group®.
